

## FRONTLINE #1: ENLIST IN THE BATTLE

Ephesians 1:18-20; Genesis 1:27; Philippians 2:3-4, 13 (ESV)

The same power that God used at Easter to raise Jesus Christ from the dead is available for you to change.

God's power can help me better understand my mate.

God's power can help me better meet the interests of my mate.

God's power will help me to forgive my mate.

- We forgive because God has forgiven us.
- We don't forget the offense. We choose to not bring up the offense again.

Victory isn't won by evacuation.

3 things you need to do this morning: You need to...

- Accept Jesus Christ as your personal Lord and Savior.
- Be baptized.
- Enlist in the battle to fight for a godly marriage and home.
